THE HOUSE THAT TRUTH BUILT

Meet Infowars founder, filmmaker and nationally syndicated talk show host Alex Jones.

Alex Jones is a singular figure in modern media. As a self-made broadcaster he has built Infowars, a communication power-house that grows exponentially year over year. The Infowars

message transmits constantly across the broad spectrum of media. From Radio and Television to Web and Social, the deep reach of Infowars is evident in its influence. From breaking national news stories to releasing controversial investigations Alex and the infowars crew are on the bleeding edge of 21st century journalism.

**"AN ABSOLUTELY RIVETING
TELEVISION PRESENCE..."**

-PATRICK BEECH, Austin American - Statesman

This presence, along with hard-hitting content and the courage to speak the truth has built a well informed and fervently dedicated audience. For the first time in years Alex is opening up the opportunity for select partners to engage his audience and join him in the fight for truth liberty and prosperity.
